

TRI VANANDA

PHUKET · THAILAND

CONFIDENTIAL · STRATEGIC BRIEFING

The Estate & the PATAMA Vision

An estate for multigenerational well-living — and the brand taking shape across it.

THE ESTATE

A 232-acre wellness estate in Phuket.

A regenerated botanical landscape of gardens and nine lakes — developed by Montara Hospitality Group, owner of Trisara and the Michelin-starred restaurant PRU.

232

acres of botanical
garden & lakes

Medical-wellness flagship

Tri Vananda Farm House

The public realm

Illustrative reference for structure and positioning only — not an affiliation.

THE BRAND

PATAMA

Bringing together meaningful expressions of living well.

One word, drawn from Pali, Sanskrit and Thai — read three ways.

I

LIVE

The Beginning

Wellbeing woven into everyday life — the table, the body, the family.

Pali · pahom · first

II

THRIVE

The Lotus

The daily awakening of the practice — body and land emerging together.

Sanskrit · padma · lotus

III

TRANSFORM

The Family's Name

A standard kept across generations — a way of living, still lived.

Thai · patama · a long-held practice

IMPLEMENTATION AT TRI VANANDA

One estate, four expressions of PATAMA.

Tri Vananda Residences

The own-able home within the philosophy — branded residences for founding families.

PATAMA Wellness

The wellness facilities and daily practice — where the brand becomes a way of life.

Clinique La Prairie

Switzerland's established medical-wellness brand — the clinical & longevity layer.

Tri Vananda Farm House

The community & lifestyle realm — farm, table and gatherings, open to all.

THE GUEST JOURNEY

01 Open Experience

A taste, no commitment

02 Packages

A deeper journey

03 Membership

The practice made daily

04 Resident

A home in the philosophy

MILESTONES

This year, and the years ahead.

- PATAMA Wellness facilities open
- Clinique La Prairie Phuket
- Trisara Wellness renewal
- The Collective grows by curation

Forward items are planned and in development — indicative, not committed dates.

THE MANDATE · RFP

A U.S. PR & strategic communications partner.

We are inviting proposals across six areas — earned media that reaches HNWI buyers, and converts.

01 Experience & Proof

Branded-residence & wellness campaigns tied to real business outcomes.

02 Senior Team

The people who lead strategy and day-to-day, and their HNWI track record.

03 U.S. & Global Media

NYT, WSJ, FT, Robb Report, AD — cascading into regional press.

04 Measurement & Impact

Beyond impressions: leads, visits, reservations, sell-through.

05 HNWI Engagement

Influencer, partnership & experiential — discreet and relationship-led.

06 Storytelling

A first concept for communicating our upcoming milestones.

ENGAGEMENT TIMELINE

From first conversation to launch.

Let's tell this story together.

We look forward to your perspective on how strategic communications can support Tri Vananda's next chapter.
